Assessor Comments	Due to a change of direction of the operation, a small but neat line of Speckled Park Cows and Calves are on offer. 4 cows were purchased off AuctionsPlus as heifers and are Speckle Park x Angus, while the other 2 vendor bred heifers are 1st calvers and are pure Speckle Park blood. These are an extremely quiet line of medium to large framed cows, out of a Kidman's Cove, Black Diamond and JAD Napoleon infused herd. Cows have been continuously running with a home bred Speckle Park Bull (Bull was AI'd bred with Kidman's Cove semen).These cow and calf units would suit a small producer looking for well mannered quiet stock to add to their breeding operation. Please note: bull calves were marked with rings at assessment.
