| Any Access To Rams or Stags? | To vendor's best knowledge, this lot has had no access to rams or stags. |
| Assessor Comments | SWM are proud to offer 151 genuine hoggets, classed in for wool and only being sold due to the loss of a lease property. 30 years of breeding with the focus on high rainfall-tolerant wools, SWM sheep can go anywhere. Successfully non mulesed for 9 years evident in the low breach wrinkle and cover seen in the bare shorn 4.5s Well grown for their age, with the majority of ewes still showing lambs teeth at just under 60kgs, these hoggets are ready for the ram. SWM's emphasis on positive fat has developed an easy doing, bright wools, traditional SA frame merino ewe, suitable for merino, maternal or terminal programs. |
