Assessor Comments	4 Decks of vendor bred HGP FREE Santa and Santa X Backgrounder steers weighed into a tight weight range of 311kg-409kg with a predicted average of 334kg at delivery. Steers present in majority store condition whilst displaying plenty of bone, length and frame ready to power ahead when given the opportunity. All steers are branded #4 being 15-18months old, and were very good to handle through the yards. These are good quality backgrounder steers offering plenty of compensatory weight gains. Please note the 3 different colour eartags and brand's are family splits.
