Assessor Comments	Offering on behalf of Heinrich Ag is a line of 150, 5.5yo 1st X Ewes. This line is very well bred by Paxton Border Leicester Rams over Gunallo BLD Poll Merino ewes. These ewes present with great frame and cover averaging 73.8kg at assessment and are continually picking up post shearing. They have had all their animal health treatments and been mouthed for peace of mind for any successful purchaser. These ewes consistently lamb down at over 140% with those lambs all being sold as export weight lambs. This is the complete drop of ewes with a small tail removed. Please note that there is 10 Orange tag, 4.5yo ewes in this line. This is a fantastic line of proven ewes with plenty of life left in them for any successful purchaser to incorporate into their operation to increase prime lamb production
