Assessor Comments	A rare opportunity to purchase classed in breeders from a long term noted breeder. Ewes present in forward condition ready to mate to the ram of your choice. Vendors mature Ewe flock ave 20.5 micron with 72% yield or better and weaned 110% lambs early September. Vendor has been breeding quality Dohne's for many years and buys top quality rams from Mt Alma Sale. These ewes were to be offered at the Mt Pleasant Off Shears as part of a complete dispersal but due to delayed shearing are now being offered. Vendor offering a line of 4.5yr Dohne Ewes in same sale as part of complete dispersal. Recommended by agents.
