Assessor Comments Backgrounders- Here is a great opportunity to purchase a good even line of 112 Angus & Angus cross/Ultra black steers. Vendor bred HGP free, Antibiotic free, all #5s. Weights range from 348kg to 450kg averaging 376.3kg at assessment. These steers have all the qualities that you'd want: structure, bone, depth, and breeding. "Manning" steers are well known performers, ideal to take through to heavier kill weights or heavier export markets. There is plenty of compensatory gains to be had. Noted one steer has a small hernia not detrimental. ATTENTION PURCHASERS: Please note 60 days deferred payment for approved purchasers. Vendor has another lot of 84 steers in the same sale.
