Assessor Comments	The Clay family of Dunmore Pastoral are proud to present an outstanding line of front paddock Angus Future Breeders. These heifers are a true testament to the time & money that has been devoted towards developing a herd of industry leading Angus Cows. Over the last 20 years the focus on these cattle has been to develop and present an article that displays high levels of fertility & femininity. All bulls purchased are in the top 20% of breed for Angus breeding index. Emphasis is placed on Calving Ease (must be positive), Birth Weight below +5, Days to Calving -4 or lower, 400 day weight +100 and mature cow weight +115 to +80 and a general balance of all other traits. The Dunmore Pastoral cattle are highly sort after with the Steers being noted performers both on grass and grain. These heifers are the complete package and are ready to be joined. Please contact myself for further details on genetics. Not to be missed.
