Assessor Comments	A good quality line of ORGANIC vendor bred White Dorper & Dorper x ewes. 5 - 12 months, weighed 30 - 73 kgs to avg 46.9kgs after a 16-hour wet curfew. These are AS DROPPED, not classed out etc. These rising one-year old young ewes are well grown, fwd to fat in condition and ready to start producing. Running continuously with White Dorper and Dorper Rams. Note, range in age, and weight. Some lambs have yet to lose their tails from lamb marking. These ewes have NOT been scanned, there are a few oblivious ewes visually well advanced in pregnancy. An obvious tail plus any springers has been removed from this mob. Mouthed the heavier ones off the scales, all with lambs' teeth. WILL LOAD COMFORTABLE DECKS - JUST A RUN OUT THE GATE. Note: One other lot of 480 in this sale. More ewe lambs will become available in coming weeks. They are being sold to make room for the others!
