Assessor Comments	These Cows where purchased as heifers out of the New England and have done a great job here to date only selling as they have more heifers coming into the program the calves are all by Chiltern Park ,Rennylea and Strethewen sires . The Cows have been joined since the 22/9 until 5/11 to Sires in the top 10% for calving ease and birth weight and top 20% for 400 day growth and 10% for milk plus top 2% for Carcase weight for the Angus breed .They are very good to handle in the yards a couple jumped around the crush a little bit but when came out settled fine as seen in the videos .
