Assessor Comments	A fantastic line of Long Valley bred Black Simmental cows, combining temperament, structure, and performance. These young cows are a pleasure to handle and doing an exceptional job on their calves. With over 20 years of breeding excellence, Long Valley is renowned for producing quality Black Simmentals sold from Gippsland to Queensland. These females are structurally sound, show strong maternal traits and have excellent udders, reflecting the depth of genetics in the program. Calves at foot are sired by a battery of elite St Paul's Black Simmental bulls featuring breed sires in their pedigrees including LCDR Witness and WS Proclamation. Pedigrees and EPD charts attached. An outstanding opportunity to secure proven genetics and buy with confidence. Note: Vendor also has another lot in this sale. Ready to join to the bull of your choice
