	The cows moved easily on and off the scales, and overall handling was smooth. Only two cows showed mild agitation in the race, but they settled immediately once the pressure eased. I'd recommend these for anyone with moderate to advanced livestock-handling skills.

Assessor Comments	A quality line of well-bred PTIC Angus cows featuring renowned Rennylea and Banquet bloodlines. These females display the depth, temperament, and structural soundness expected from two of Australia's leading Angus programs. Their breeding combines proven maternal strength with performance-driven genetics, offering reliability, fertility, and long-term productivity. Ideal for building or strengthening a high performance herd. Joined to Dunoon BHR21S455 son of Booramooka Paragon P96, these cows present an excellent opportunity for buyers seeking exceptionally bred proven Angus breeders.
