Other Joining Details	Lamb generally weaned at this age at vendors place would not be in lamb, however with an exceptional start to season please make your own judgement.
Any Access To Rams or Stags?	Yes, last access to rams/stags: 12/11/2022
Joining Access Details	Not intentional joined but Lambs have been running with ewes (mothers) and had access to Aussie White Rams prior to weaning.

Quality Grades	
Excellent	100%

Assessor Comments	A top quality line of young ewes, with plenty of breeding gone into them. They are from a heavily classed flock with these ewes representing the middle run of this drop. They run on well farmed cropping country (No know Bathurst burr on farm) and are well handled. Buy with confidence these lambs will mature into quality ewes, note younger sisters in same sale.
