Assessor Comments	420 1st cross ewes being offered as 2 runs of 210, 18-20 months old, Gudair vacc and mulesed. These ewes stand up very well showing very good stretch and depth. These ewes where drenched at shearing and are ready to join. they where purchased in as lambs off the same vendor being made up of 2 different lines. a very small number of these ewes did lamb as ewe lambs and did a very good job rearing there lambs.
