Assessor Comments	One line of 140 1st x ewe lambs, ideal to keep as breeders for any terminal ram operation. Out of medium- large framed Riverina ewes by top 'Armatree' bld Border Leicester rams. Lambs are well grown for age and if well managed would be great outfits to join as lambs. All the hard work has been done from an animal husbandry aspect. Will be an asset to any prime lamb operation. Have removed a tail of approx 10%. Prior to delivery ewes will be crutched.
