Assessor Comments	This is a line of 310 Romney / Composite X Ewes, part of the Camberley Farms crossbred flock dispersal. Please note that there are 505 ewes in this line offered for sale today. These ewes are bred from the Camberley Composite flock, and have been bred using Wairere Romney sires. These sheep would be equally suited to join to a terminal sire or maternal sire to continue a self replacing breeding flock. The ewes are well grown and well developed, with this particular line averaging 63.9kgs at assessment. When selecting sires for the breeding program, the vendor selects rams with traits such as quick developing & high growth rates, structure and high reproductive performance.
