| Assessor Comments | An impeccably well bred line of 127 pure Cashmore blood ewes. They were purchased from 'Cashmore Park' in February as ewe lambs. The wet season in the Western Districts has been hard on the ewes, however since shearing they have really started to bounce. OJD vaccinated, October shorn & realistically reserved at $170, they will not disappoint!! This is a run out the gate of 274 ewes. |
