Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	An impeccably well bred line of 127 pure Cashmore blood ewes. They were purchased from 'Old Murroa' in February as ewe lambs. The wet season in the Western Districts has been hard on the ewes, however since shearing they have really started to bounce. OJD vaccinated, October shorn & realistically reserved at $170, they will not disappoint!! This is a run out the gate of 274 ewes.
