Assessor Comments	Buyers, on offer are a line of 28 Weaned Hereford Heifers for your consideration. These Heifers would be ideal to background to joining or feeder weights suiting all domestic markets. Heifers offer high compensatory weight gains due to presenting in store condition as result of a dry summer and would be perfect for an oats crop or pasture. Heifers are well handled and educated and display a sound temperament. The Bailey Hereford cattle are well known through saleyards and feedlots in southern Queensland and are not to be overlooked. Please see photos and video for further satisfaction. Vendor has another lot of steers in same sale.
