| Assessor Comments | A neat line of 20 well bred weaner heifers that display good frame and bone at a young age. Vendor would normally carry these cattle through to heavy feeder markets but due to seasonal conditions have been weaned early. Heifers that will perform on good quality feed and would be ideal to carry through to feeder weights or retain as future breeders. Please note vendor has a lot of 25 steers in the same sale that would make a neat deck of weaners |
