| Assessor Comments | On offer are a very ATTRACTIVE line of 33x33 Angus Heifers and Calves on their 1ST CALF. Heifers were purchased as PTIC from a breeder that runs of Booroomooka Angus & Coolie Angus blood, the calves are all by Booroomooka Bulls. Heifers are very well bred and are doing a magnificent job on their 110kg cracking calf at foot, Heifers presenting in a more Store condition putting everything in the calf. These Heifers are great mothers and will be an asset to any Cow herd, only being on their first calf with all of their breeding lives ahead. Calves have all been marked and there are 18 Steer calves & 15 Heifer calves. 3 Heifers present an old blue eye scar & 4 Heifers have white on their udder area. Great opportunity to secure some great young breeders with thumping calves at foot to take on. |
