Quiet steers, all walked through yards and stood on scales in crush without a drama. Very easy to handle from a herd that is well educated, no hesitation in recommending temperament

Assessor Comments	Small line of 5 x Coloured Steers offered separately from the larger draft of 23 Angus Steers. Weaners present well at the tail end of a hot, dry summer period. Soft, easy doing steers have a great temperament, properly yard weaned & quiet. Grass fed declaration available upon request. Previous purchasers have been very happy with the performance of weaners & yearlings from this herd targeting high end grass & grain fed programs. Annual turnoff of weaners with the vendor also having another 23 x Angus X Steers & 24 heifers in this same sale.
