	Cattle are just a little runny due to being freshly weaned. Ran through the race and weigh box beautifully and caused no problems at all.		
Handled With	Bikes , Dogs , Horses		

Assessor Comments	Lead draft of the CLM partnership steers for 2026, big growthy weaners that are out of very larged frame cows and are bred to grow. Often sought by repeat buyers they are being offered this year at lighter weights due to diminished season, big strong calves that have been weaned properly and will power ahead shown the right feed. Large tail kept at home so these are the genuine tops. Vendor has straight Angus steers in same sale.
