Cows and calves handled very well through a basic set of yards, odd one didn't like being weighed but settled as soon as they were let out. Overall well handled cattle.

Handled With Bikes , On foot , Vehicles

Assessor Comments Genuine 3 in 1 Limousin Angus cross cows 3 to 7 years old with Limousin calves 5 to 6 months at foot. The Angus cow base started with Heifers purchased from Bongongo Angus crossed with stud Limousin Bulls. Cows have been depastured with Limousin bull (see photos) since the 1st of August & the bull has not been interested for some weeks, so we would suggest his job has been done. Breeders cattle that are only being sold due to the sale of the property. Opportunity here for a quick turnover .
