Exceptionally quiet young steers to handle, especially given the size of the mob, all led up the race very quietly, only had very few exiting the crush quicker then a walk. Handful of steers playing up whilst weighing, pushing forward on gates trying to be weighed etc. only being 8 of the entire mob then settling down whilst back in their yard.

Assessor Comments	This is a rare & Impressive opportunity for a buyer to secure a large line of very well bred EU & Never Ever accredited Angus steers that will not disappoint. Bred in the Upper Murray from a renowned Angus herd boasting 41 years of select Te Mania genetics. Highly regarded & sought after by major feedlots, buyers can have confidence they are taking on a very smart line of cattle bred to preform. Only being sold due to toughness of season, steers would generally be taken out to feedlot weights.
