Assessor Comments	Outstanding line of 20-24 Month old Angus Heifers tested 4.5 Months in calf to AI Sire Millah Murrah Trigger T308. Trigger is the $180,000 2nd highest seller from the 2023 Millah Murrah bull sale and their highest selling yearling bull ever. Trigger is an excellent heifer mating prospect, with widespread application for many modern-day Angus bloodlines. He is a logical progression for Paratrooper and his descendants as well as the Quixote & Nugget bloodlines. These Heifers were purchased as lead drafts in January weaner sales and have been selected for vendors AI program on maternal traits type and temperament and will calve out in a tight window for ease of management. Please note there is 72 heifers in mob to be split into 3 lots and delivered as a run out the gate.
