| Assessor Comments  | A good line of young Hereford cows & calves. An opportunity to purchase young breeders in the prime of their breeding life. These cows have been rejoined to an outstanding Kenny's Creek Bull with 200, 400 & 600 days weights all in the top 15% of the breed and top 8% for carcase weight. These 2nd calvers are doing an outstanding job on their young calves. The cows show good frame, maternal traits and will continue to produce for many years to come. NB: 1 cow with a blue eye/pinkeye scar. |                                          |                                     |
