	Extremely quiet cows to work with. Walk through yards and crush no fuss at all. Stand on scales in crush calmly. Walk quietly when moved in paddock.		
Handled With	Bikes , Dogs , On foot , Vehicles		

Assessor Comments	Purchased locally as PTIC cows to make use of excess feed in a combination cropping program. Doing an excellent job on calves they are now raising and, in line with management decision, have now become surplus to needs. Very easy cows to have around and would complement a small scale operation or a producer looking for easy management cattle.
