Assessor Comments	Based on Sevenbardot blood for the past 20 years, these PTIC cows present in forward plus condition. 9 head are 5 year old cows with 1 cow (PTIC Red tag) 7 yrs. Belah Creek have been breeding Hereford & Poll Hereford's for over 70 years, introducing Sevenbardot sires which improved frame, maturity & doability within the herd. Cows are preg tested (7 red tag & 3 blue tag) to Sevenbardot bulls. Cows being of good quality, condition plus quiet to handle, a great opportunity to secure some very good genetics to enhance an existing herd or a good start into a breeding program.
