These heifers were very good to handle in the yards and were extremely settled.

Handled With	Bikes , On foot , Vehicles

Assessor Comments	A quality run of well handled pregnant heifers. These heifer were good to handle through the yards and settled well. The heifers have adequate frame for their age and would be a positive addition to most breeding herds. The great temperament of the heifers would make them well suited to a small operation or someone just starting out in the cattle industry. The vendor agrees to guarantee the heifers clean of ticks if they are required to go to clean country.
