Assessor Comments	A lovely line of Simmental Heifers and Calves, these heifers were purchased from Blue dog Simmentals 'Wandoan QLD' and calves at foot are sired by the Ireland Angus Bulls. A rare opportunity to secure a nice line of quality Simmental and Simmental x heifers that will continue to grow and develop into large framed matrons, these heifers are carrying an abundance of milk and are doing an extremely good job of turning the young calves into vealers. Please note there is only 2 weeks between the youngest and the oldest calf as they were drafted out from their sisters as they calved. There is 10 steer calves and 9 Heifer calves at foot. Please note, vendor has another lot in this sale 24x24 head that are just the younger calves. A wonderful opportunity to put together 43 one mark, hard to find Simmental heifers and calves.
