Assessor Comments: Offering an extremely quiet line of well bred Murramungee and Table Top Angus blood steers on behalf of Steve Mooney of Everton. The cattle produced off this property are bred with an emphasis on good structure, frame and docility. The vendor has handled the cattle regularly and uses low-stress stock handling practices. Cattle are often yarded on foot or by being

	called, with the temperament displayed being a true result of a limited stress environment, making them suitable for all levels of stock handlers. This article would be ideal to target feedlot entry weights or suited to grow into heavy export bullocks.
