Assessor Comments	105 Angus Heifers Been a run out the gate from a line of 210 assessed heifers . These heifer are improving daily and are putting weight onto a good frame and bone. These Heifers are presenting in fresh forward condition. The majority of the heifers display freshness with young body's, and approx. 10% showing a slightly older larger frame with less condition. Any of the older looking bodies have been mouthed as milk teeth. They are capable of fast compensatory weight gains given opportunity. Offering the opportunity purchase 1 mark vendor bred Angus heifers to put away in the paddock. These heifers are ready to take the bull of purchasers choice or grown into very good feed lot weights. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases.
