Assessor Comments	The heifers have been mouthed as 2 tooths, and present in fresh forward condition. They have come through a dry winter and spring. These heifer are improving daily now, as they are getting a good green feed. These heifer have come from numerous properties, depot at the Clark property and now going forward. This line of heifers are an ideal line of heifers offering a medium to large frame, showing good improvement on fresh feed. There is 1 with small horn. There is 2 with red colour. The Watervalley cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases. The Watervalley cows continually run with bulls , these heifer havent seen a bull since weaning back in March / April. They have been PT Empty, Vendor has an other in this sale, which may help with truck loads. All this heifer have been drafted out ot the Watervalley herd for showing some colour or scurr and horn.
