	Quiet well mannered females to handle. Some nervousness displayed whilst the pressure was on, drafting and mothering, but completely settled once left alone with their calf again. All led up the race sensibly, and were well mannered in the crush exiting at a walk. Very quiet to walk through in the paddock on foot and take photos of.

Assessor Comments	*Complete dispersal of Team Te Mania female herd* Outstanding line of bright, healthy young females. Part of the original breeders keeper draft. These females were purchased as tops of their drop from Lakala Pastoral Co, Mumbannar. Long, deep easy doing females that are doing an excellent job as first time mums and carrying plenty of milk. Easy to mother up in the draft, wasting no time and busily looking for their calves. Run behind single wire fences on an ex dairy farm. These are an exceptional line of young breeders to take on that will inject years of top quality genetics in to your herd. This is a tough sale, brought on by a change in operation and reconditioning the dairy. Note. Older sisters (White Tags) being offered in same sale. Note. 2 Heifers noted with a white splash on their flank.
