Quiet well mannered females to handle. Some nervousness displayed whilst the pressure was on, drafting and mothering, but completely settled once left alone with their calf again. All led up the race sensibly, and were well mannered in the crush exiting at a walk. Very quiet & peaceful to walk through in the paddock on foot and take photos of.

Assessor Comments	*Complete dispersal of Team Te Mania female herd* Outstanding line of beautiful, young proven breeders. Part of the original breeders keeper cow herd. Purchased from Lakala Pastoral Co, Mumbannar. Beautiful long, deep, easy doing females that are doing an excellent job with their calves and carrying a big tank of milk. Easy to mother up in the draft, wasting no time and busily looking for their calves. Run behind single wire fences on an ex dairy farm. These are an exceptional line of young, quiet, easy breeders to take on that will inject years of top quality genetics in to your herd. This is a tough sale, brought on by a change in operation and reconditioning the dairy. Note. Younger sisters (Orange Tags) being offered in same sale. Note. 12 cows noted with a small white splash on their flank.
