Assessor Comments	29 PTIC Angus Cows. Originally purchased from 'Avonlea' in Bourke NSW on AuctionsPlus. A very well bred line of Angus Cows with plenty of performance left. From 5-6 years old these cows present in magnificent condition, they have carried a calf all through the South Gippsland winter and still come up with big weights and shine. These cows are very quiet natured and would suit anyone looking to add some quality breeding depth to their herd. These cows are coming up on having some of their best calves and could be well worth the option of retaining the heifers. Please note Vendor has other lots in this sale.
