Assessor Comments	11 PTIC Angus Cows, Vendor Bred and full Lawson Angus Bloodlines. A very well bred line of Angus Cows with plenty of performance left. From 5-6 years old these cows present in magnificent condition and present a large frame, they have carried a calf all through the South Gippsland winter and still come up with big weights and shine. These cows are quiet natured and would suit anyone looking to add some quality breeding depth to their herd. These cows are coming up on having some of their best calves and could be well worth the option of retaining the heifers. Please note Vendor has other lots in this sale.
