Assessor Comments	Run of 22 Angus x steers that are in strong store condition. These steers have not had a lot of feed available to them and am sure will jump away shown some feed. They were purchased out of local saleyards early in year but the season has cut out. Couple of steers were late cut but are are now well over it. All these steers are well weaned, and have been drenched and vaccinated. Ideal to take home and tip out, or help fill a truck. Note vendor has 4 other lots in sale.
