Assessor Comments	PTIC Angus Heifers EU accredited, Vendor bred, Due to commence calving on the 14th of January 2023 for 9 weeks to the Dollar Angus bull M172 . An excellent line of quality heifers with years of breeding behind them Pure Dollar Angus Heifers that are very quiet and a pleasure to handle and would be an asset to any Angus herd, Heifers will calve as 2 1/2 year old as they are a spring drop heifers and the vendor carries them over to come into Autumn calving with the bulk of his herd, Heifers that are the tops of there drop and are usually retained on farm for there whole productive life, However due to the vendor retiring these heifers are for sale now. There is one heifer with a small amount of white on her udder as can be seen in the photo
