Assessor Comments: Presenting the annual draft of vendor bred NSM heifers on behalf of Yopies Pty Ltd of Greta West. These feeder heifers have plenty of frame, stretch and breeding behind them that will continue to gain weight given the right opportunities to do so. With these heifers already hitting feedlot entry weights, this is a perfect opportunity to purchase a line of cattle to grow

	out to heavier feeders or to add to an existing breeding program and join to a bull of your choice. Please note vendor has another line of 29 steers in the same sale.
