| Assessor Comments | Exceptional run of Angus steers, that are predominantly AI bred by leading Angus Sires. (see Pedigree in links) . They show bone, depth and terrific growth for age. Steers are on the do and have had solid weight gains since weaning of 1.4kg/day. Note that they are all up to date with their health treatments and are ready for some one to take to the next level. These calves have weaned exceptionally well and are a pleasure to handle. These steers come with the assessors highest recommendation for temperament and quality. Take note that this represents the top draft of steers. Steers are Grass only and Antibiotic free and eligible for Grass Assured programs. Note: See video |
