Excellent Heifers to Handle, used to single wire electric fences.

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A very good opportunity to purchase well bred heifers that are PTIC to calve in April 2023. They have been AI'd over a period of 10 days from the 1/7/2022 to 10/7/2022, this should give you a calf throughout April 2023. These heifers present in tremendous order considering the wet spring they have encountered and show plenty of growth and capacity. Please note this vendor has 4 other lots in this sale consisting of another lot of PTIC Heifers, 2 Lots of Heifers and Calves and 1 lot of Cows and Calves.
