Assessor Comments Great opportunity to buy 4 decks of light store heifers ideal to background through to feeder weights. Heifers were purchased from areas of Northern NSW and Southern QLD that were very dry at the time. They have freshened up on the good feed and are healthy and going ahead. Predominately blacks with 9 head showing brindle or red tinge in the coat and 7 black baldys. There is 24 head with some blue scarring on eye/s and 18 head showing very light ringworm. Please note vendor has a line of 31 heavier heifers in this auction also.
