Assessor Comments	A neat mob of backgrounder heifers that are all frame and positioned perfectly to grow out through the winter and spring. These heifers are sired by award winning Niu River Wagyu bulls, similar progeny are regularly sought after by leading feedlots that specialise in Wagyu/Angus. For prospective purchasers the delivery agent can assist in marketing these stock once they reach feeder weights. These yearling heifers will respond well to feed after being bred and grown out so far in the high country around Yea. They are very quiet and would suit any level of stock person. Please see previous cattle's kill data after they have been fed in the photos. There is also 41 steers in today's sale with the opportunity to put 86 cattle together.
