Temperament

Yards	Crush	Paddock
Quiet: 23 head	Quiet: 23 head	Temperament not assessed in Paddock

Nice quiet cows that have been well handled by the owner. All cows have their calves tagged at birth and any that show aggression are sold

Handled With

Bikes , Dogs , On foot

Notable Traits

	Traits
1 Head	Lump on off side of the neck
1 Head	Old scar from a lump on the neck

Assessor Comments

A nice truck and trailer load of Poll Hereford cows that have been PTIC to Poll Hereford bulls. The cows are medium to large farmed and in ideal calving condition. The vendor has held the cows back off excess grass for the past 2 weeks and kept them on cereal hay in preparation for calving. The cows are very well handled and are use to electric fences. A great base or addition to a Poll Hereford breeding operation.
