Assessor Comments	A line of well bred EU Charolais x Angus/Hereford PTIC heifers presenting in fresh condition. Heifers have been AI'd to Clunie Range 223 who made \$42,000 at this years Clunie Range Angus bull sale, and then put with low birthweight Clunie Range Angus bulls for 10 weeks after. The heifers are by the best genetics with Ascot & Palgrove bloodlines. This is an outstanding line of heifers and present a chance to secure quality breeders to calve at the right time of year. These heifers were very good to handle at assessment and vendor states heifers are good to handle in paddock with dogs and horses. **Please Note** Vendor has 3 lots in total in the sale.
