Assessor Comments: An opportunity to secure an excellent line of Angus cows in the prime of their lives. These cow's are buy Stud Leawood Angus bulls out of Bongongo blood Cows, and are PTIC back to Leawood R428 And Innesdale U82 to commence calving 1st August for 7 week calving.These cows display great width and depth, and have a wonderful temperament. A regretful sale due to resent health issues, and a change in direction from a breeding enterprise to a fattening one. Please note the same vendor has 27 2nd calvers in the same sale.
