Assessor Comments	Here's a great opportunity to purchase proven breeders with a great genetic background that are 3 in 1 units. These cows are Millamurrah blood with good frame, length and depth and are pregnancy tested back in calf 1-3 months to Rennylea bulls Buyers please note one cow is in a with holding period due to having a cut between back toes and was treated with penicillin. There is one cow with abscise on dewlap which is optional to take or leave cow is pictured. N.B. 3 cows display white on udder and underneath.
