Assessor Comments	Very good line of quality Angus and Angus cross PTIC heifers joined to low birth weight Kidman Angus bulls for 8 weeks. Heifers were purchased from Grafton and Casino in 2022 as weaners and have done very well. Good Angus cross heifers that will do a great job in any breeding operation. Please note all Heifer are 4.5 to 6.5 months plus in calf, but have a blue tag due to being tested back in November.
