Assessor Comments	A line of mostly vendor bred, EU & Grasslands accredited steers. Vendor would usually take these steers to the heavy end of the EU export feeder market or crop finish for the EU Grasslands slaughter market. Only selling due to the season. 7hd were purchased as a mob of 280 weaners off AuctionsPlus in October 2025 Ex Conseulo Cattle Co, Rolleston QLD. All are EU and Grasslands accredited. Please note one steer with warts on the face and two head with slight blue eye scarring in one eye - neither seen as detrimental. These composite steers are from a cow herd made up of Angus, Shorthorn & Santa Composite cows. Sired by Angus, The Grove Shorthorn and Gyranda Santa bulls, selected on carcase attributes & growth EBVs. Please note the sisters of these steers are also in this sale. Good quality steers that will go ahead quickly if given good quality feed.
